Hi, Kelley. I will be in the office tomorrow. I have a meeting from 2 -3, but should be at my desk other than that. Stop by or call when you can. Thanks.

Dawn

Hi Dawn -

Not sure - but I think that you are back this week?

If so - we were hoping that you were available to talk tomorrow about your write-ups for the RAD and lithium data review.

I am driving up to the site in the am. If you are available maybe we could talk after lunch. Let me know what works for you?

Thanks - Kelley
